

2010 Delegation to China

21 - 30 March 2010

Booking Form

The Stockbrokers Association of Australia invites members to confirm their participation in the 2010 Delegation to China.

The purpose of the trip is to develop better knowledge of how business is transacted in China and to see first-hand what are the key drivers of the Chinese economy.

To achieve this, it is important that the delegates obtain further understanding of the regulatory environment and capital markets both of which are integral to Australia at present.
