SAA CPD READING & RESEARCH REGISTER

You have a professional obligation to yourself, your organisation and your clients to participate in Continuing Professional Development (CPD), tailored to meet your own needs.

The underlying principal of CPD is that it must improve one's ability to undertake their job by extending and maintaining their knowledge, skills and integrity.

This SAA CPD Reading and Research Register template may assist in keeping records of CPD undertaken.

Date/Time	Description or Title of Activity eg. Reading and research of internal research report	Objective of Activity eg. Research eg. Analysis & interpretation	Outcome eg. Identified emerging issues eg. Identified new applications of regulations or standards eg. Determined the effect the changes will have on clients; incorporation of those changes eg. Developed a clearer understanding of specific market etc	CPD Hours * (1 hr = 1 hr CPD) **note: maximum of 6 hours per year may be claimed as CPD*

Note: the SAA CPD Training Register also forms part of this CPD Reading and Research Register
