

SAFAA BOARD OF DIRECTORS

ANDREW GREEN Chief Executive

Andrew's diverse experience in project development, investment banking, public advocacy and funds management is built on degrees in Economics and Law from The University of Sydney.

His experience includes a term of 7 ½ years (1999 – 2006) as CEO of the Australian Private Equity & Venture Capital Association, AVCAL.

With the support of an active board, and the encouragement and financial support of many generous members, Andrew was able to engage with a wide cross-section of stakeholders and lead a remarkable transformation of the Venture Capital and Private Equity industry in Australia.
