

SAFAA BOARD OF DIRECTORS

BRIAN PHELPS

Appointed to the Board, May 2019.

Brian heads up CommSec's Broking and Markets business including the Australian & International Equities; Margin Lending; Derivatives & CommSec's Advisory business. He is accountable for all customer facing teams and the day to day operations of CommSec's Retail business. He is accountable for creating a meaningful and inspiring strategy and setting the Risk agenda as RM.

Brian has been working in the stockbroking industry for 30 years, 20 of those in CommSec on the executive team. He began his career working in the UK Equities Markets with Mercury Asset Management and has had experience with startup ventures as well as day to day business management. Brian has played a role on various SAFAA Committees over the past 20 years and has seen a good deal of positive industry change in that time.
