

SIAA BOARD OF DIRECTORS

MICHELLE INNS MSIAA

Appointed 21/11/2024

BBus (Fin), MBA

Michelle is the Chief Operating Officer of LGT Crestone. She served on the board of Crestone Wealth Management and established the operating systems, frameworks, and processes of Crestone, a business she founded with former UBS employees. With over 20 years' financial service experiences, Michelle gets to the heart of strategic challenges and is tenacious in her desire to improve equality in our workplaces and make investment advice an attractive career for women. Societally, she would like to champion financial self-sufficiency for women.

Michelle serves as Chair of SIAA's Diversity, Equity & Inclusion Committee.

She was Female MBA Graduate of the Year and in support of her increasing interest in sustainability Michelle has completed studies in Sustainable Finance from the Cambridge Institute for Sustainability Leadership (CISL), part of the University of Cambridge. Michelle is also a member of Chief Executive Women.
