

SIAA IN-HOUSE AND BESPOKE workshops

The Stockbrokers and Investment Advisers Association (SIAA) regularly consults with organisations regarding in-house training needs.

SIAA-accredited CPD workshops provide online learning opportunities and are led and/or conducted by persons who are appropriate, and have sufficient standing, expertise, academic qualifications and/or practical experience. Our workshops are delivered by industry experts, sharing real-world knowledge and experience.

Options include:

- ✓ Online delivery of existing SIAA workshops in-house for a group of people at one organisation.
- ✓ Online delivery of a tailored training solution, leveraging existing workshop material and tailoring it to your specific needs.
- ✓ Design, development and delivery of bespoke training, using our existing course material and experienced subject matter experts.

We can also offer workshops on Insider trading, CFDs, Derivatives, Options, Warrants, Conduct Risk, Review and Remediation and Market manipulation. Inquiries in regard to face-to-face delivery are to be directed to SIAA Education.

Note: Fees quoted are ex gst. Includes online delivery and provision of course handouts provided by email.
