Reasons for attending the conference

1 Networking | 2 Information | 3 Business | 4 CPD

I just wanted to commend you and the team for delivering a truly excellent conference.

These types of events can be guilty of 'filler content', but that certainly wasn't the case at the SIAA Conference. Every session I attended was informative, well-curated, and genuinely valuable. It was a standout experience, and a credit to SIAA's hard work and thoughtful planning.

Julia Hukka, Financial Services Council

[A] big thanks to you and the team for hosting a great couple of days.

I got a lot of out the conference and it's always a great opportunity to network and catch up with everyone.

Tsitsi Kariwo, Morgans

The recent SIAA conference was 10/10

Brilliant to note the demographics in the room leant towards that next gen of industry participant, together with some gender and dare I say it - background diversity.

I also note the panels by and large were excellent, along with a plethora of partnership opportunities with various sponsors/stalls.

Well done.

David Harvie, Saxo Markets

EMAIL DIRECT MARKETING CAMPAIGNS

Available exclusively to our major partners, eDMs are a powerful way to promote a special offer, new product launch, or event. A recent campaign achieved a 33% open rate with zero unsubscribes. These campaigns are limited and usually tied to an existing partnership, making them a high-value, targeted opportunity.

PARTNERSHIP OPPORTUNITIES

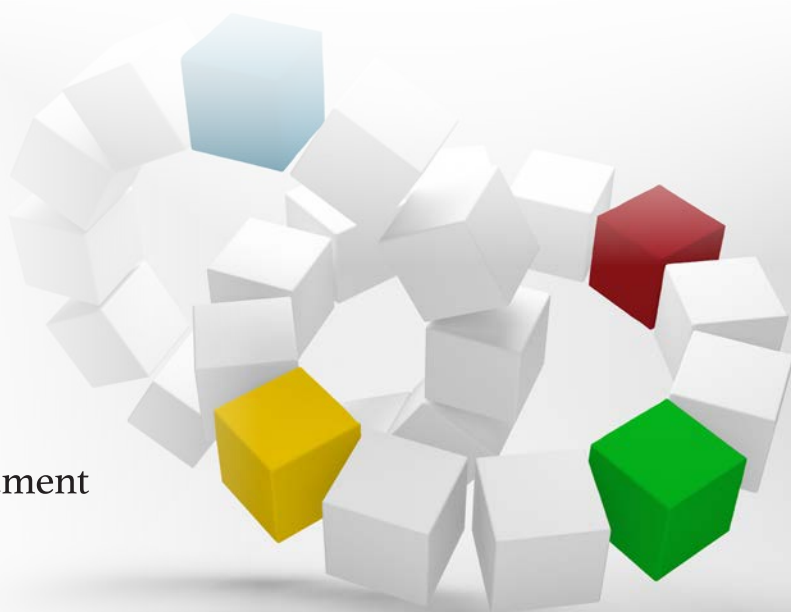

SIAA offers a range of partnership options, including education partnerships, conference sponsorships, and webinar series sponsorships. Opportunities to collaborate on thought leadership are also available, subject to discussion and mutual agreement.

OPPORTUNITY	Benefits include	Cost ex gst
National Conference	Booth, Branding, Editorial, Tickets, Presentation opportunity	\$4,500–\$30,000
Education Partnership	Webinar series; Branding; Editorial; Conference booth; 12-month period	\$22,000
Webinar Sponsorship	Webinar, Branding, Editorial, 6-month period	\$6,000
